

Randy Kaufman & Boot at last month's training day

KEYSTONE RETRIEVER CLUB NEWS: October 2024

OCTOBER TRAINING DAY

The Club held its October 20th training day at Mt. Ararat Farm in Port Deposit. Participation was less than usual due to a number of people running tests that weekend. A big thank you to Andy Anderson for bringing all of the equipment and setting up the training day for us.

NOVEMBER TRAINING DAY

Our next training day will be November 17th from 9:00-3:00 at Lou Dallatore's property in Mckeansburg, PA.

SEPTEMBER HUNT TEST UPDATE

The Club made a little over \$7850 on the September test. This year has seen some other Clubs having to cancel tests because they can't find workers or losing money because of low entries and the rising cost of birds and ammunition. That we were able to hold a successful test and actually make money is a testament to our members who volunteered to work and who managed to keep the cost of birds and other items low. Of course, the fact that Gaby Buck allows us to use Mt Ararat Farm at no cost to the Club contributes considerably to lowering the bottom line. Thanks again to all who helped to make the September test a huge success.
